

Heritage shared across borders through digital space,
Ideas connecting classrooms face to face,
Students collaborating, learning side by side,
Technology opening doors worldwide,
Opportunities to explore culture and story,
Respect for the past in shared discovery,
Young minds united in eTwinning's journey.

Heroes in Hungary
Influential people in history
Stories tell us what they did,
Times were hard, but they were strong.
Old days teach us many things,
Read and learn about the past.
Yesterday today tomorrow 

History is a mirror made of time,
It shows our fears, our hope, our crime.
Stories of people, brave or small,
Teach us why empires rise and fall.
Out of the past, we learn to see,
Reasons for who we are, and who we'll be.
Yesterday's lessons shape tomorrow's way.

Happy students meet online,
In eTwinning we all shine.
Stories shared from Hungary,
Traditions for all to see.
Open minds and hearts so wide,
Respect and friendship side by side.
Young Hungarians join with pride.
